## School Visit Options

Please select what you would like to do during your field trip. We now offer a short SAGE Center presentation with materials for teachers and chaperones to navigate the SAGE Center with students.

We have space for classes to stay and eat lunch both indoors and outdoors as well as a large play structure outside. Weather typically determines where classes eat lunch at the SAGE Center.

**Select desired  
options**

- Mezzanine/outside for lunch
- Short film on agriculture
- Use outdoor playground

## TILLAMOOK ICE CREAM AVAILABLE

The SAGE Center also has Tillamook ice cream available for purchase during school visits. Visit participants can get a single scoop for \$2/person. Our flavors available for school visits are vanilla, Udderly Chocolate, and Oregon Strawberry.

Please enter the desired quantity of each flavor below. We request that teachers distribute ice cream to their students.

Payment for ice cream can be handled on the day of the visit. Please have the ice cream payment all together to be completed in one transaction during your visit.
